CODE OF PRACTICE 2022

**Name of the Signatory**

Fundación Maldita.es contra la desinformación: periodismo, educación, investigación y datos en nuevos formatos

About the Signatory

Maldita.es is an independent journalistic platform focused on the control of disinformation and public discourse through fact-checking and data journalism techniques. We are a non profit organization with three main objectives: to monitor and control political discourse and promote transparency in public and private institutions; to verify and fight against misinformation; and to promote media literacy and technological tools in order to create an aware community that can defend itself from disinformation and lies in all areas.
